CLASS ACT

Design darling Paloma Contreras (palomacontreras.com) recently celebrated the release of her highly anticipated tome, *The New Class Home*. We caught up with Contreras to learn more about this swoonworthy kitchen project featured within the glossy pages of her book. .

By Jane Humphrey

- 1. The Darlana Large Linear Lantern from [Visual Comfort](http://VisualComfort.com) lights up the space in style. visualcomfort.com
- 2. Marble tiling from Ann Sacks adds a palette-pleasing hue to soften the room. annsacks.com
- 3. Roman Shades were custom made by Paloma's local workroom using a

- Schumacher linen and Samuel and Sons trim. palomacontreras.com
- 4. Countertops from Caesarstone help create optimal space for gathering. caesarstoneus.com
- 5. La Cornue adds the ultimate statement to the space—complete with its signature stainless steel and unlacquered brass. lacornueusa.com

The kitchen underwent a complete gut renovation, resulting in an open-floor plan bathed in light.
